Marston Parish Council

Marquee:
Equipment Loan Agreement & Liability Disclaimer

By borrowing and taking possession of the Marston Parish Council marquee and its associated equipment, the Borrower agrees to the following terms and conditions:

1. Erection and Operation

- **Adherence to Instructions:** The marquee must be assembled, erected, and dismantled strictly in accordance with the provided manufacturer's instruction manual.

- **Adequate Tethering:** The Borrower is entirely responsible for ensuring the marquee is properly and securely tethered at all times. This includes the correct use of all provided guy ropes, ground pegs, and weights as dictated by the terrain and weather conditions.

- **Weather Assessment:** The Borrower must monitor local weather conditions. The marquee must not be erected, or must be dismantled immediately, in the event of high winds or extreme weather conditions that exceed the structural limits outlined in the manual.

2. Assumption of Risk and Liability

- **Total Assumption of Risk:** The Borrower assumes all risks and liabilities associated with the transport, erection, use, and dismantling of the marquee.

- **Damage or Loss:** The Borrower is financially responsible for any loss, theft, or damage to the marquee, its framework, canvas, or tethering equipment during the loan period. The equipment must be returned in the same clean and working condition in which it was received.

- **Third-Party Injury and Property Damage:** The marquee owners, representatives, and the village committee accept no responsibility or liability for any personal injury, death, or property damage

arising from the use, collapse, or improper installation of the marquee.

- **Indemnification:** The Borrower agrees to indemnify and hold harmless the marquee owners and administrators against any claims, lawsuits, or damages made by third parties resulting from the Borrower's use of the equipment.

3. Declaration I acknowledge that I have read, understood, and agreed to these terms. I confirm I have received the marquee manual and accept full responsibility for the safe and correct use of this equipment.
